Field Trips!

Smart Start has some AMAZING trips planned for our students this summer! As reminder, field trips can be enjoyed by every student here at SSA! However, only students over the age of 2 years and 6 months can ride on the school bus. Students who do not meet age requirements may attend field trips but must be driven and chaperoned by a parent.

Join us as we end the summer the best way we know how – with our annual end of summer picnic!

**August 24th at 3pm – 4pm at
Washington Park**

There will be light refreshments and snacks along with games the whole family can enjoy!
