Multicultural Month

Aside from celebrating all of our wonderful mothers we would also like to celebrate all the different and unique cultures of each student and teacher here at SSA. Throughout the month of May students are going to travel the world and do lessons and activities guided in helping them experience new cultures and ethnicities.

TEACHER APPRECIATION WEEK

Teachers change the lives of millions of children every day! Their work and impact extends far beyond the boundaries of a classroom.

From May 7th – May 11th we honor all teachers and thank them for all that they do!

If you wish to celebrate your child's birthday at school please let your child's teacher and schools director know a week prior! Cake and cupcakes are welcome, as long as it is nut free!
