## POLICY ON THE MANAGEMENT OF COMMUNICABLE DISEASES

If a child exhibits any of the following symptoms, the child should not attend the center. If such symptoms occur at the center, the child will be removed from the group, and parents will be called to take the child home.

- Severe pain or discomfort
- Acute diarrhea
- Episodes of acute vomiting
- Elevated oral temperature of 101.5 degrees Fahrenheit
- Lethargy
- Severe coughing
- Yellow eyes or jaundice skin
- Red eyes with discharge
- Infected, untreated skin patches
- Difficult or rapid breathing
- Skin rashes in conjunction with fever or behavior changes
- Skin lesions that are weeping or bleeding
- Mouth sores with drooling
- Stiff neck

Once the child is symptom-free, or has a health care provider's note stating that the child no longer poses a serious health risk to himself or others, the child may return to the center unless contraindicated by local health department or Department of Health.

### EXCLUDABLE COMMUNICABLE DISEASES

A child or staff member who contracts an excludable communicable disease may not return to the center without a health care provider's note stating that the child presents no risk to himself or others. These diseases include respiratory, gastrointestinal, and contact illnesses such as Impetigo, Lice, Scabies and Shingles.

**Note:** If a child has chicken pox, a health care provider's note is not required for readmitting the child to the center. A note from the parent is required stating either that at least six days has elapsed since the onset of the rash, or that all sores have dried and crusted.

If child is exposed to any excludable disease at the center, parents will be notified in writing.

### COMMUNICABLE DISEASE REPORTING GUIDELINES

Some excludable communicable diseases must be reported to the health department by the center. The Department of Health's [Reporting Requirement for Communicable Diseases and Work-Related Conditions Quick Reference Guide](http://www.nj.gov/health/cd/documents/reportable_disease_magnet.pdf), a complete list of reportable excludable communicable diseases, can be found at [http://www.nj.gov/health/cd/documents/reportable\\_disease\\_magnet.pdf](http://www.nj.gov/health/cd/documents/reportable_disease_magnet.pdf).

An expulsion action is meant to be a period of time so that the parent/guardian may work on the child's behavior or to come to an agreement with the center.

The parent/guardian will be informed regarding the length of the expulsion period. The parent/guardian will be informed about the expected behavioral changes required in order for child or parent to return to the center.

The parent/guardian will be given a specific expulsion date that allows the parent sufficient time to seek alternate child care. Failure of the child/parent to satisfy the terms of the plan may result in permanent expulsion from the center.

## **A CHILD WILL NOT BE EXPELLED**

- Made a complaint to the Office of Licensing regarding a center's alleged violations of the licensing requirements.
- Reported abuse or neglect occurring at the center.

### **GUIDELINES FOR POSITIVE DISCIPLINE**

Positive discipline is a process of teaching children how to behave appropriately. Positive discipline respects the rights of the individual child, the group and the adult. Methods of positive discipline shall be consistent with the age and developmental needs of the child, and lead to the ability to develop and maintain self-control.

Positive discipline is different from punishment. Punishment tells children what they should not do; positive discipline tells children what they should do. Punishment teaches fear; positive discipline teaches self-esteem.

You can use positive discipline by planning ahead:

- Anticipate and eliminate potential problems.
- Have a few consistent, clear rules that are explained to children and understood by adults.
- Plan for ample elements of fun and humor.
- Include some group decision-making.
- Provide time and space for each child to be alone.
- Make it possible for each child to feel he/she has had some positive impact on the group.
- Provide the structure and support children need to resolve their differences.
- Share ownership and responsibility with the children. Talk about our room, our toys.

You can use positive discipline by intervening when necessary:

- Re-direct to a new activity to change the focus of a child's behavior.
- Provide individualized attention to help the child deal with a particular situation.
- Use time-out by removing a child for a few minutes from the area or activity so that he/she may gain self control. (One minute for each year of the child's age is a good rule of thumb.)
- Divert the child and remove from the area of conflict.
- Provide alternative and acceptable ways to release feelings.
- Point out natural or logical consequences of children's behavior.
- Offer a choice only if there are two acceptable options.
- Criticize the behavior, not the child. Don't say "Bad boy". Instead you may say "That is not allowed here."

Guidelines Positive Disc. Cont. (2)

You can use positive discipline by showing love and encouragement:

- Catch the child being good. Respond to and reinforce positive behavior; acknowledge or praise to let the child know you approve of what she/he is doing.
- Provide positive reinforcement through rewards for good behavior.
- Use encouragement rather than competition, comparison or criticism.
- Overlook small annoyance, and deliberately ignore provocations.
- Give hugs and caring to every child every day.
- Appreciate the child's point of view.
- Be loving.

Positive discipline is NOT:

- Disciplining a child for failing to eat or sleep or for soiling themselves.
- Hitting, shaking or any other form of corporal punishment
- Using abusive language, ridicule, harsh, humiliating or frightening treatment or any other form of emotional punishment of children
- Engaging in or inflicting any form of child abuse and/or neglect
- Withholding food, emotional responses, stimulation, or opportunities for rest or sleep
- Requiring a child to remain silent or inactive for an inappropriately long period of time

Positive discipline takes time, patience, repetition and the willingness to change the way you deal with children. But it's worth it because it works.

## Attention Families

I would like to thank you for allowing us to become part of your family at this time. Over the past 6 years Smart Start Academy has become the leading childcare provider in your neighborhood. We would like to continue to offer your family exceptional childcare and early childhood education for the years to come. As a courtesy we would like to send a reminder on the following important company policies.

- **UNIFORMS:** are to be worn at all times prior to drop off and as always for your convenience we do have additional uniforms for sale at our schools.
  - School year (September-June) we ask that **ONLY** the polo short/long sleeve be worn. Summer Camp T-shirts are not allowed
  - Summer Camp (July-August) we ask that only the lightweight t-shirts be worn at all times.
- **SCHOOL BAGS:** Are an essential part of S.S.A in making sure all your child's belongings are kept together and return daily to the correct child. Also these bags must be used daily; even if they are empty they must be brought to school daily. These are the only bags that need to be used between the staff and the parents. (Book Bags and shopping bags are not allowed at all!)
- **PERSONAL ITEMS & HOME TOYS:** At SSA, we provide our older students (13-60 months) their own sip cup, plate, utensils and cot sheet. We ask that all personal cups, utensils and toys **NOT** be brought to school.
- **STROLLERS:** At this time we are limited in space with the amount of strollers we can accommodate in any of our four facilities. We ask parents to be courteous and allow the stroller area to be primarily for infants and toddlers.
  - ***Ages 0-12months*** can continue to bring in their travel sized stroller, however restrictions do apply on certain models such as *Uppa Baby Vista, Nuna, City Selects and strollers with a Bassinets or similar style.*
  - ***Ages 12months-24 months*** are required to bring in a standard simple umbrella stroller. (example: *Maclaren Mark 2 Stroller or Baby Cargo 200 series*)
  - ***Ages 24-months and up*** at this time due to space constraints we ask that only a true simple compact travel umbrella stroller be brought to school if necessary. (See example on left)

*\*Please note that SSA is not responsible for any personal belongings that are left inside of your stroller\**

**Initial:** \_\_\_\_\_

- **MORNING DROP OFF TIMES-** To keep the integrity and the quality of the program at S.S.A we remind parents that school uniformed students must be in school no later than 9am.(*school bell*)
  - Non school uniform students – infants must be in school no later than 10:00am.
  - Please as always be courteous to the staff that has planned a fun-filled educational day!

While our teachers exercise their best efforts to input the necessary information in a “real time” fashion, at times it may become very challenging for the teachers to both tend to their students and immediately update their feeding /activity and other information into the app.

***The staff guidelines for the use of electronic devices are as follows:***

Use of the DailyConnect/SSAontheGO is permitted only during the following time frames:

- Upon Arrivals
- 10:30 – Breakfast, Circle Time
- 1 pm – Morning Lesson, Lunch, Diapering/Toilet & Nap
- 5:30 – Afternoon Activity, Dinner & Diapering/Toilet
- Upon Dismissals

***Although the use of devices is permitted, if making updates during the above timeframe prevent the staff from adequately supervising the children, updates will come at a later time.***

Families may continue to message the teachers through daily connect at any time. Our teachers will respond to these messages during a time that does not affect the supervision of their students.

### **Assumption of the Risk and Acknowledgment of COVID-19**

The novel Coronavirus/COVID-19 has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and spreads mainly from person-to-person contact. As a result, federal, state, and local governments, alongside the Centers for Disease Control and Prevention (CDC), have released guidelines to protect yourself and others from Coronavirus Disease.

Smart Start Academy has put in place preventative measures as recommended by the CDC to reduce the spread of COVID-19; however, the company cannot guarantee that child (ren) and their families will not become infected with COVID-19. As mentioned previously, COVID-19 is a highly contagious disease. You and your family need to understand that it is not possible to determine the specific place (home, supermarket, work, etc.) an individual becomes infected.

By signing this agreement, I \_\_\_\_\_ acknowledge the contagious nature of COVID-19 and voluntarily assume the risk my child(ren) \_\_\_\_\_ and I and my family/household members may be exposed or infected by COVID-19 by attending Smart Start Academy and that such exposure or infection may result in personal injury, illness, permanent disability, and death. Further, I agree that the risk of becoming exposed to or infected by COVID-19 at Smart Start Academy may result from the actions, omissions, or negligence of myself and others, including, but not limited to, employees, children, and their families.
