CLOSURES AND HALF DAYS

Smart Start Academy will be CLOSED the following days for the month of September:

Sep 2nd, Sep 3rd, and Sep 6th

Anxiety

Anxiety is normal – especially on the first day of school.

It is important to understand that for both children who are existing and new, they go through a separation phase during the first few weeks back to school. *(Sometimes this phase can also last a few months)*

Leaving without fanfare and talking to your child about what to expect can really help ease the transition.

With consistency, time and a little patience you will see that your child's initial anxiety will decrease.

WELCOME BACK

SSA Families,

WE'VE MISSED YOU ALL!

We hope you had an exciting and relaxing summer! Welcome to the 2021-2022 school year! We are happy to welcome both existing and new families back to Smart Start Academy!
