Curriculum

At Smart Start Academy our curriculum of choice is the Creative Curriculum. The Creative Curriculum is an early childhood curriculum that focuses on project-based investigations as a means for children to apply skills. This curriculum addresses four areas of development: social/emotional, physical, cognitive, and language. Our educators are guided while creating thematic units designed to support children's natural curiosity and stimulate their creativity. Our teachers offer their students the opportunity to work in depth, giving them the time they need to reflect, consolidate and transfer their learning.

The Creative Curriculum for Preschool is based on five fundamental principles. They guide practice and help us understand the reasons for intentionally setting up and operating our preschool programs in particular ways. The principles are as follows:

- Positive interactions and relationships with adults provide a critical foundation for successful learning.
- Social-emotional competence is a significant factor in school success.
- Constructive, purposeful play supports essential learning.
- The physical environment affects the type and quality of learning interactions.
- Teacher-family partnerships promote development and learning.

Representational Development/ Seven Multiple Intelligences Theory

At Smart Start Academy we believe that no one set of teaching strategies will work best for all students at all times. Therefore, we also follow the seven multiple intelligences theory when designing our lessons and teaching our students.

- Linguistic – verbal/think in words;
- Logical/Mathematical – reasoning;
- Spatial – images/pictures;
- Kinesthetic – somatic sensation;
- Musical – rhythms and melodies;
- Interpersonal – bouncing ideas off other people/cooperative groups;
- Intrapersonal – deeply within themselves.

Application Policy

The Student Application is to be filled out completely in order to validate your child's enrollment. Your child's enrollment will be secured upon receipt of the completed forms and a **non-refundable** annual application fee of \$300.00. At the commencement of each year (**July**) all re-enrolling families will be required to submit an updated application along with the annual application fee of \$300.00 per student enrollee.

A One Thousand, Two Hundred & Fifty (\$1,250.00) Dollar security placement fee per student enrollee is required upon registration/annual renewal and credited to your child's account in the form of tuition. SSA will apply the security placement fee to the last academic month of the school year (June), given SSA is notified by May 1st as to withdrawal intentions. If notice of withdrawal is not received by May 1st, SSA will automatically roll over security placement fee into the following Academic Year (Sept-June). Security Placement is nontransferable.

Families who enroll after March 31st will have their security placement fee apply toward the last month of the following academic school year (Sept-June). Currently enrolled families will be responsible for submitting written notification of intent of withdrawal past the last academic month (June) by May 1st. If written notification is not submitted, SSA will roll over the security placement fee to the following academic year (Sept-June).

Fees are not subject to receive any discounts, including but not limited to, Security Placement, Application, Smart Sitter, SSA Apparel, Late fees, App Fees and any special extra curriculum fees.

Monthly Tuition Payments: Blackbaud Tuition Management

Monthly tuition payments are due before the 26th of the preceding month for the following month. Standard monthly tuition will be paid through each family's Blackbaud Portal. ***Yearly subscription will be due to Blackbaud Tuition Management at the start of each year or upon enrollment.***

A 5% processing fee will be incurred if payment is made at any of our centers via credit card for all standard tuition payments. Other payments e.g., uniforms, backpacks, key fobs, back up care/temporary care fees will be subject to the 3% processing fee if paid by credit card.

S.S.A. will provide an online monthly calendar to each parent which will highlight when tuition is due each month. A \$25.00 daily late fee charge will be applied if payment is not received on said due date. ***(Tuition due dates are subject to change. Notification of any changes will be provided)***

Monthly Tuition Programs

Tuition programs are categorized by age and program. Depending on the age of your child and program chosen by your family, the tuition fee which coincides with both will be due on tuition day. The 1st of the month determines which tuition category your child is eligible for. For example, if your child turns 19 months by the 1st of October; the fee due would fall under the 19-35 month age group for the month of October.

Summer Camp Tuition Payments

A nonrefundable/nontransferable full summer camp tuition is collected every year during the April and May months. Summer Camp tuition payments are non-refundable. ***If your family is unable to attend a pre-registered session; all payments will be forfeited.***

Withdrawal

S.S.A requires a full academic school year commitment (Sept.-June). If it is not met, security placement (deposit) and any other fees collected are forfeited. Security Placement fee is **non-transferable & not refundable** in cash/check form. If a family decides to withdraw for any reason mid-month, there will be no refund of their tuition for any prorated amount. Security placement will **only** be applied to the last month of the academic school year (June) given SSA receives written notification of withdrawal intent by May 1st. **If notice is not received by May 1st, SSA will automatically roll over the security placement fee to the following academic year (Sept-June).**

For those families unable to fulfill the 10-month commitment, their security placement fee and any prepaid tuition may be applied to their child's last month of tuition given SSA is notified in writing of child's withdrawal 2 **full** months prior to the departure. Written notification must be submitted by the 1st of the month. If notification is submitted after 1st of the month, the following month will be considered the **first full** month's notice of withdrawal.

Please Note: Security Placement fees can ONLY be refunded in Tuition Form. The Summer Months (July & August) do NOT apply toward the 2-month withdrawal notice clause stated above.

Change in Start Date or Program

As a courtesy, parents are allowed one postponement of their original anticipated start date. This postponement cannot exceed 30 days from the original start date. If the child is unable to start within this period, the security deposit is forfeited and Family agrees not to seek legal remedy to retrieve fees.

Parents who wish to change their child's current program (days/times of attendance) at Smart Start Academy must submit a written request at least **two** months prior from their desired date of the program change.

The school Director will notify the family in writing if the new schedule is available and of any tuition/fee modifications required. (*Change of Program is only approved upon availability and is not guaranteed*).

Returned Check Fees

There will be a \$35.00 Service Fee applied to all checks returned to us by the bank as **Non-Payable**. After the first returned check you will be asked to pay in **Cash** and we will be happy to give you a receipt.

School Policies

- **UNIFORMS:** are to be worn at all times prior to drop off and as always for your convenience; we do have additional uniforms for sale at our schools.

School Closings

We will notify our parents via email, Daily Connect & Social Media regarding unexpected school closings due to natural disasters/ inclement weather. Parents may also call the Jersey City/Hoboken Public Schools for closing/delay information, as we follow the same guidelines.

Parents are responsible for the full monthly tuition regardless of desired start date, early withdrawal (*without proper notice*), holidays, absences due to illness/personal preference, unexpected closures due to, but not limited to; inclement weather, pandemic, natural/unnatural disasters and/or any occurrence similar in nature causing the center to close and not provide childcare services for a limited or extended period of time.

Additional days will not be added in the event of an unexpected closure/delay.

Allergies: If your child has food allergies notify the school director and teacher of your child's allergies. If your child's allergies are severe, parents will be required to bring in all meals for their child.

Please note: There are students at our school with severe food allergies, which is why nuts and nut products are not allowed at school.

Birthdays and Special Celebrations

Our school shares your desire to make your child's day special; however, birthday celebrations can be over stimulating, and we ask that some limitations be observed.

Parents may provide cupcakes and juice for snacks and may order pizza for the class that day. No favors or bags will be allowed, unless you wish to buy each child in the class a book or a coloring book. All celebrations must be limited to the times allowed by the classroom teacher and only the parents, grandparents and siblings of the child will be allowed to attend.

Parent Involvement

Communication between Smart Start Academy and our families is the foundation of your child's school success. Parents are a vital part of the community, and we encourage your involvement throughout your child's school experience. We keep our families informed through monthly newsletters, class calendars, parent teacher conferences and ongoing workshops. At SSA, families are encouraged to participate in a variety of classroom activities. Perhaps you would like to volunteer your expertise as a "guest presenter" and talk to the children about a favorite topic, teach us a song or help or lead us through an art project? The possibilities are endless at Smart Start Academy! Please be sure to keep an open flow of communication with your child's teacher in order to arrange a class visit.

Parent/Teacher Conferences

Parent/Teacher conferences will be held upon request of either party. Requests should be submitted via email or written form. Parents should provide at least 3 available days/times for the proposed meeting on said request. Once their child's teacher receives their request, he/she will confirm a specific day/time with the parent. The meeting will be scheduled based on the availability of both the teacher and the parent.

Health Forms

Every child must have an A-45 and Universal Health Form completed and signed by a physician and kept on file in the center. We must also have a copy of all the up to date vaccinations given to the child. These documents are required to be updated yearly.

Sick Policy

When a child is dismissed from school because of a contagious illness, a doctor's written permission is required for your child to return to school. If medication is to be administered, an authorization form will have to be completed by the parent. We will not dispense Tylenol or Vitamins. There are many reasons why a child may be sent home from school, and they are listed in our **General Health Policy for Children Sheet** displayed below.

General Health Policy for Children

If a child is sent home with a communicable disease, he/she can only return with a note from their physician. This note has to state that the child is no longer contagious and may be safely involved in-group activities. If a child displays any of the symptoms listed below, he/she will be isolated from the other children and the parents will be contacted.

YOU MUST PICK UP YOUR CHILD WITHIN ONE HOUR OF THE CALL

Symptoms of special concern are:

- Diarrhea
- Severe Coughing
- Difficult or Irregular breathing
- Yellowish skin or eyes
- Pink eye (eye does not necessarily have to be pink but may be discharging mucus.)
- Sore throat
- Unusual Spots or Rashes
- Vomiting
- Severe itching of body or scalp (lice/insect bites)
- Fever of 101.5 degrees or over

S.S.A. will require a note from your child's pediatrician indicating that he/she is in good health and able to return to school.

School Safety

The safety of all children at our school is our primary focus and we do everything in our power to ensure that we provide a hazard free environment. In order to do so, we have established the following policies:

- Always have an adequate number of adults to supervise every group of children, whether in the classroom or at the playground. No child is ever left alone without supervision.
- Every classroom and playground area is inspected regularly to eliminate or correct any equipment or situation that may cause injury to the children.
- When a child is involved in an accident requiring medical intervention, the parent or guardian will be notified promptly. If the parent is unable to come to the center to transport the child, a staff member will accompany the child to the medical facility indicated on the child's information form. If help is needed immediately, the nearest response team will be called.
- An incident report form will be filled out by the attending teacher and the director. One copy will be placed in the child's file and the other given to the parent. The director and staff will review the incident and determine whether some preventive actions need to be taken.

Reasons for Dismissal

Our school is committed to the wellbeing of each and every child, order to provide a safe, loving and stimulating environment; we expect a certain degree of cooperation from each child and parent. At SSA, we use a positive approach to discipline our students. We focus on solutions rather than punishment. By providing opportunities to help the child and using effective communication, we believe that any issue is solvable. Unfortunately, there are sometimes reasons we have to expel a child from our program, either on a short term or permanent basis. We want you to know we will do everything possible to work with the family of the child(ren) in order to prevent this policy from being enforced. The following are reasons we may have to expel or suspend a child from this center without a refund of any paid tuition and/or security deposit.

Causes for Expulsion

- Child is at risk of causing serious injury or other children or himself/herself
- Parent threatens physical or intimidating actions toward staff members
- Parent exhibits verbal abuse to staff in front of enrolled children

Parental Actions for Immediate Child's Expulsion

- Parent's Failure to comply with SSA Policies

- Habitual tardiness when picking up your child
